We assign activities on a first come-first served basis; an alternate activity will be assigned if your requested activity is full. All activities are fun, so you will have a fun morning regardless.

We will email you your final activity list. Please bring that email with you to the event. You will not need a paper ticket.

Introducing 'Pathways to STEM', an interactive panel discussion for 6th, 7th & 8th Grade girls & parents on pursuing STEM disciplines. See link below for details and to register.
