

Our Nov. 10, 2022 book signing event featured Dana Dargos, award-winning author and 2016 AAUW Fremont Scholar. Her debut novel, *Einstein in the Attic*, won the Literary Titan Award, Firebird Book Award, and three honorable mentions at the prestigious New York, Hollywood, and San Francisco Book Festivals! The sold out standing-room only event was hosted by Banter Bookshop, a popular woman-owned independent retailer in downtown Fremont.
