

Bonnie

The Fremont branch of the AAUW has made a \$50 contribution in Josie's name to the AAUW's Greatest Needs Fund, which allows National to respond quickly to critical issues as they emerge.

This donation also counts toward the Named Gift Honoree award presented to someone within the Fremont branch who has given extraordinary service to the AAUW in the past year. For each \$750 donated to the Fund by the Fremont branch, we can select one person, group or organization to honor. This year's honoree was our president, Phie Dai.
