The AAUW Fremont Branch is an active group with many projects and events. Every activity is designed to be fun and to relate to our mission statement. As educated women and men, we recognize our powerful voice in the community and choose projects that will impact the community in a positive way. Join our growing membership and become part of our community.

We pay dues to three groups, all part of AAUW: Local, State, and National. Typically, all the dues are bundled and paid at one time.

Full membership is open to anyone with an associate or higher degree from a higher educational institution. Those without degrees can join the Fremont Branch only.

Regular dues: \$110 (\$72 National, \$20 State, \$16 Local)
